

Big Hearts under the Big Sky

Making a Difference, One Family at a Time.

“The Mission of Big Hearts under the Big Sky is to provide high quality outdoor adventures with MOGA Member Outfitters, at NO COST to families of those who have provided extraordinary service to our country and children who face the challenge of a life-threatening illness.”

- ❖ We are Montana’s **PREMIERE** charity serving **MILITARY** service men and women and **CHILDREN** who face a life-threatening illness.
- ❖ Since 2008, Big Hearts under the Big Sky program has served 87 families/groups totaling 465 people, involving 47 MOGA Outfitter businesses and accounting for over \$1 Million in donated Montana Outdoor adventures.
- ❖ Benefits of the Big Hearts program extend far beyond the hunt or catch; spirits are healed, capabilities and confidence expand, a sense of purpose is rediscovered, and families are restored.
- ❖ We are a Montana-based charity serving a national audience and providing Best-of-Class Service.

Core Values

Loyalty • Integrity • Enthusiasm • Thoughtfulness • Decisiveness • Quality • Compassionate • Family • Spirituality

Comments and Expressions from Trip Recipients

“Our family is beyond blessed for the amazing trip Big Hearts provided us. For one week, our family was full of smiles as we forgot about the rollercoaster life of the cancer world. This trip recharged us and made us realize we CAN keep going. We gained a relationship that will last a lifetime with the Big Hearts Family!”

One little girl served commented, “I have been sick for 4 years. While on this hunting adventure, I haven’t felt sick for the entire 4 days.”

“Thank you MOGA for all that you do! You made this adventure a light at the end of the tunnel after a very rough year! Keep on, keepin’ on!”

“I know when I get home, I will be asked how did your trip go? I don’t know how to answer, sure I got an elk, but the trip was so very much more.”
