About the Nominee

- Please describe the nature of the life-threatening illness the child has been diagnosed with.
- Please describe the medical or physical challenges faced by the nominee that affect their safety, mobility or ability to participate in the requested trip experience if granted?
- Has the Nominee received a donated adventure experience in the last three years; if so, please list them below.

Desired Experience

- What type of Montana-based outdoors adventure experience is desired/requested (e.g. fishing, hunting, camping, backcountry pack trip, other)?
- Big Hearts under the Big Sky emphasizes service to families as a means to strengthen and restore through shared experience the benefits of a trip. Please list the family members by name, relation, gender and age that would likely attend if the trip is granted.
- What physical challenges do any of the family members face that should be considered if this trip were granted?
- We try and accommodate <u>ALL</u> the family members in some way during the trip. On hunting trips there can be only one hunter, but when fishing, camping, horseback riding, etc. a few family members may be included. What activities would the attending family members like to enjoy as part of the Big Hearts trip experience?

Section 4: Nominee Qualifications

Big Hearts under the Big Sky was established to provide therapeutic outdoor experiences to children with a lifethreatening illness and their immediate family to fully enjoy and share in this experience together. To qualify for the Big Hearts program, the child must be between 6 and 18 years of age at the time of nomination, a resident of the United States, and must be diagnosed with a life-threatening illness. As part of the nomination review process, it may be asked to have a letter from the child's physician affirming their fitness and ability to participate in the requested trip experience.

- Why is this nominee a good candidate for a Big Hearts adventure trip experience?
- In what ways will the nominee's family benefit from the experience?
- Will you be able to provide a letter from the child's Physician that will address the fitness for the child to participate in the granted activity?
